LETTER FROM THE PRESIDENT COUPLE, MAY 2008

May 11, 2008

Friends:

It is the great feast of Pentecost.

It is the great feast of the Church.

It is our Feast.

The Spirit, if we welcome Him, renews us completely,

**Helps us to live our faith with strength and joy, and makes us witnesses of
Jesus.**

A body without the soul is a corpse.

We will have life if we allow the Spirit to dwell in us.

Let us give thanks to the Lord for the gift of His Spirit.

Blessings

William and Esilda Cheng
